PREMIUMS

Choose the insurance sum that suits your needs. The premium is based on your choice of insurance sum and your occupation.

PREMIUM TABLES

The currency of your IHI Health Insurance determines the currency of your IHI Personal Accident cover. The indicated premiums are annual premiums and are based on occupations such as doctor, lawyer, teacher, system analyst, economist and other related office occupations. The payment terms (i.e. annual, semi-annual) follow the payment terms of your IHI Health Insurance.

APPLICATION

Persons aged 3-59 are eligible to apply for IHI Personal Accident as a supplement to their IHI Health Insurance. Please use the IHI Personal Accident Application Form. The insurance will cease automatically at the age of 65 or when the insurance sum is paid out.

UNDERWRITING

When International Health Insurance danmark a/s receives your application, we will perform an individual underwriting evaluation. If you should have any additional individual risk factors, a premium loading will be applied.

RENEWAL

Once your individual premium is determined, no individual adjustments in relation to the renewal will be made. Please note that if you change your occupation this may effect your premium, for which reason you are obliged to inform us of such change.
